STUDENT GOVERNMENT RETREAT:

High school students in Grades 9-12 may begin to sign up for the Student Government Retreat this week to be held at Camp Pinnacle on Wednesday, September 26 to Thursday, September 27. Our focus will be on worship with Pastor Andrew Zawacki as our speaker. Permission forms will be distributed in homeroom as well as available on the LCS website. Cost is \$80 for overnight with four meals; \$35 for Thursday (lunch and dinner); or \$24 Thursday with lunch only. We depart from LCS at about 6:15 pm Wednesday after the games and return about 8:45 pm Thursday. Transportation is included in the cost. All high school students are encouraged to participate and enjoy the spiritual blessings from our annual overnight retreat.

BUS DRIVERS: Loudonville Christian School is looking for individuals to drive school buses during the school year. A NYS bus driver's license is required to drive either bus. LCS will cover all fees, physicals and exams that pertain to receiving your license. This is a paid position with trips during the day, as well as after-school sports trips. If you are interested, please call Bruce Camilleri at 434-6051 or Jackie Wilkie at 429-8273.

SHOP FOR A CAUSE: Shopping passes for Macy's SHOP FOR A CAUSE on Saturday, October 13, 2007, are available from High School Student Government representatives now until dismissal on Friday, October 12. Order forms will be sent home and checks should be made out to LCS. The passes are \$5 and the entire amount will go to the High School Student Government fund to defray the cost of activities. Passes can be used at any Macy's store in the country or online for discounts of 10-20% on many items. At the Colonie Center Macy's there will be special events and entertainment, including jazz singers, face painting, clowns, balloons, and free NYS ID kits for children. A shopping pass is not necessary to shop at any Macy's that day, but one shopping pass enables you to receive the discounts all day on multiple purchases! For answers to your questions, contact Mrs. de Waal Malefyt at sdewaal@lcs.org or at 434-6051, extension 378.

THE BEAK SPEAKS: To love what you do and feel that it matters – how could anything be more fun?

Professor Basil L. Gildersleeve of Johns Hopkins University was once interviewed for THE SATURDAY EVENING POST. At the time, the elderly professor was considered the greatest Greek scholar in the nation, and his work had been honored by numerous organizations and societies around the world.

The interviewer asked Professor Gildersleeve what he considered to be the highest award or compliment he had ever received. He thought for a moment, and then replied, “I believe it was when one of my students said, ‘Professor, you have so much fun with your own mind!’”

Behavioral researchers have discovered that when people enjoy their work and feel it is meaningful, they are more productive, more open to improvement, and are more concerned about the quality of their work. As their levels of productivity and quality rise, they become more efficient and actually begin to enjoy what they are doing!

For a student and a teacher to be truly effective, he/she must find pleasure in work. Find something you sincerely enjoy doing, then do it well! Success will surely follow!

Psalm 128:2...

When you eat the labor of your hands, you shall be happy, and it shall be well with you.
