

Dear Parents,

LCS is on an exam schedule next week (01/22-25). Due to the lack of testing space and the need for our personnel to administer and proctor exams, students in grades 9-12 will come to school for an **exam** or a **scheduled review class** only. All LCS students are required to pass the Regent Exams, so our highest priority is to ensure the proper test-taking environment for each student. Many of these tests take several hours to complete.

Students in grades PK-8 will maintain their regular scheduled classes and school hours (8:10-2:40 pm).

### **Regents Week Exam Schedule:**
