

## School Supply List for Fourth Grade for 2017-2018

*Welcome to Fourth Grade! We're glad to have you at LCS. Please see <http://misscrachi.com/back.html#supplies> for pictures and clarification on some items. The Amazon list for this is here: <http://amzn.com/sl/1AA805WR8AKYI>, so you can see the items and order ones you want.*

**Daily:** -Healthy snack (one item: fruit, veggies, crackers and cheese, pretzels, popcorn)  
-a water bottle that completely closes (*one with a straw that closes, please, because it's easy for spills to occur*)

**Household:** -2 boxes of facial tissues (*unscented*)

-3 bags of individually-wrapped candy (ex: Blow pops, Jolly Ranchers, Airheads, Dum-Dum pops, Smarties, etc.): can get at the Dollar Store

-roll-on deodorant (*to be left in your cubby or backpack to use after gym*)

**Academic:** Please put your name on everything possible.

- One 2-inch 3-ring binder (any color) (*must fit all folders, pencil pouch, the school-provided planner, and the math notebook*)
- Zippered pencil case that goes in a binder – for pencils, red pens, eraser, scissors, calculator, glue sticks, colored pencils, ear buds, permanent marker (*the case goes in the front of the binder*)
- **A LOT** of #2 pencils, sharpened (*I suggest mechanical pencils because our sharpeners aren't very good*)
- small pencil sharpener with a shavings catcher (*make sure it screws shut so it doesn't spill*)
- large eraser, red pens or pencils, a black permanent marker (fine tip), calculator with basic 4 operations, scissors (*small but with pointed blades so they cut well; make sure the calculator and scissors are small enough to fit into the zipper pouch; I recommend a flat calculator for this reason*)
- 1 pack of colored pencils (*an 8-pack is fine*)
- several glue sticks (*Elmer's extra strength permanent bond is best; don't get washable because it doesn't work well; we use these for our notebooks in almost every subject*)

# LOUDONVILLE CHRISTIAN SCHOOL

374 Loudon Road • Loudonville, NY 12211 • 518.434.6051 • www.lcs.org

*almost every day, so you'll need a lot)*

- 6 folders with side pockets and 3 hole-punched: Please get one of each of these colors: red, orange, yellow, green, blue and one unique one (can be anything, but not one of those colors). Some go into the binder in this order and label them: Home/School (the unique one: label one side "Goes Home" and the other half "Goes to School"), math (green: label the left side "math work (hw, corrections)" and the right side "corrections done"). The next folders need to be labeled but don't go in the binder: science (red), social studies (orange), "Stays in School" (yellow), and language arts (blue).
- 1 pack of 8.5x11" college-ruled lined paper (*please use regular paper, not paper torn from a notebook since that creates a mess; put this into the binder behind the folders*) (*will possibly need more later in the year*)
- 3 marble composition books, college-ruled, 100 sheets (200 pages); 3 different colors if possible- if you can't get these specific colors, please get black; label one for science and social studies (red or orange), language arts (blue), Bible (purple). Please number the notebook pages in the science/social studies and Bible notebooks (you don't need to number language arts), with number one being the first page in the upper right corner, 2 being the second page in the upper left corner, etc., with odd in the upper right and even in the upper left.
- 1 green college-ruled, 3-hole punched notebook: label it Math and number it like the other notebooks (*this goes in the binder after the green Math folder*)
- Spiral bound sketch book: 8-1/2" x 11" or 9" x 12", 70# weight for art class
- 12-inch ruler with metric on one edge, inches on the other (*do not get one that bends because it will quickly become inaccurate; make sure the inch side has lines of various sizes- see [misscrachi.com](http://misscrachi.com)*)
- a Bible (*you **don't** need to buy a new one, but if you need to get one, please get one without tabs and with a concordance in the back if possible- the NIV Adventure Bible that many students have is a good one*)
- a small Merriam-Webster dictionary (*to keep in your desk: Webster's New World Dictionary is recommended*)
- 3x5 index cards with lines on one side and the other side blank
