

# LOUDONVILLE

## CHRISTIAN SCHOOL

### Pre-Kindergarten Supply List 2020-2021

The following items are needed by the first day of school:

- **A BACKPACK** – While they make smaller backpacks that are designed specifically for Pre-Kinder, they are generally too small. Instead opt for a small size backpack.
  - **LUNCH BOX**- This is to store snack and lunch in the classroom. I suggest you put a small icepack in the lunch box to keep items cold.
  - **WATER BOTTLE**- Although there is a water fountain outside the classroom it is more convenient to have a water bottle in the classroom.
  - **2 “BLACK” 1” BINDERS** – This is for our portfolios. ( please label on the inside)
  - **ONE SUBJECT SPIRAL NOTEBOOK** – We will be making a science interactive notebook with this throughout the year.
  - **SHEET PROTECTORS** – We need about 50 of these to go inside our ABC notebooks.
  - **FOLDER**- This will help us send messages back and forth from home to school and for projects to make it home safely.
  - **TISSUES** -You don’t want your kid’s little face covered with boogers all day. Stop the snot by loading in Kleenex.
  - **SMALL FLASHLIGHT**– We will be using these throughout the year for different activities.
  - **BABY WIPES**- For washing hands and cleaning faces
  - **HEADPHONES**- Please not earbuds
  - **A WHITE T-SHIRT**- these are for our end of the year shirts so plan on your child growing slightly through the year
  - **REST TIME STUFF** -For students staying for the afternoon: a small pillow and blanket with student’s name for rest time. These need to be stored in a reusable shopping bag. Please no regular size pillow they don't fit in our cubbies.
  - **EXTRA CLOTHES**- Kids get messy quickly. A seasonally appropriate well-fitting change of clothes is essential. Whether they have an accident or spill on themselves, Please pack these in a Zip-loc bag to be stored in their cubbies. Label all clothes so frazzled teachers know what cub-by it belongs in.
- 
- **Optional supplies for the class**
  - Forks and spoons
  - Play dough
  - Ziplock bags
  - Barbasol Shaving Cream
  - AA and AAA batteries to replace those in Flashlights
