COMPELLING NEED

The annual auction creates a venue to share our vision and mission with the Capital Region Community who may not be familiar with our school or God's word. The revenues raised not only increase our Annual Fund, but they also help finance a specific Compelling Need within the School.

This year our Compelling Need is an Outdoor Classroom Pavilion. This will allow us to use the space for:

- ◆ Outdoor classroom instruction under a covered space with adequate seating
- ◆ Chapel Services
- ◆ A location for class meetings and/or picnics
- ◆ A recess location during inclement weather
- ◆ An After School Program pavilion will provide the required amount of shade and protection for outside play

Click [here](#) for more information about the Compelling Need or to make a donation.
