**COMPELLING NEED:**  
**OUTDOOR CLASSROOM PAVILION**

Dear Family and Friends,

Thank you so much for attending our 15th Auction event, *Treasures of the Heart*. Over these many years it has been our school's privilege to serve our community while educating the treasures of your heart, *your children*. Every year during the evening of our Auction, we stop and dedicate a special time to a compelling need for our school. This year we have chosen to build an outdoor classroom pavilion. This will allow us to use the space for:

- ♥ Outdoor classroom and learning center
- ♥ Chapel Services
- ♥ An outdoor location for student and faculty lunch
- ♥ A recess location during inclement weather
- ♥ A shared space with Loudonville Community Church for LC Kids and other LCC events

As faithful partners to LCS, please consider contributing to our Compelling Need. It is our school's desire to educate children for His kingdom while preparing them for their future in a rapidly changing culture. Thank you for helping us reach our goals!

## **OUR HISTORY**

Loudonville Christian School (LCS) is an evangelical Christian school serving children of the Capital Region of New York State. These students come from over seventy different churches and thirty school districts. LCS is wholeheartedly committed to academic excellence and dynamic Christian ministry.

LCS is an auxiliary organization of Loudonville Community Church (LCC), created by virtue of a congregational resolution that outlines the organizational structure for the governance and administration of the school. LCS is also separately incorporated and fully recognized as an educational institution by New York State. The School Board is a policy-making body and has fiduciary responsibility for the operation of LCS. It is accountable to the Elder Board of LCC in limited, specified areas. The Head of School administers the school under the supervision of the School Board.

From modest beginnings in 1955 as a nursery school, LCS has developed into a school with a reputation for excellence. The school expanded to an elementary school in 1960 and initiated the high school in 1995, with its very first graduating class in 1999. Since that time we have set 19 graduating classes on to change their world for Christ!

## **OUR MISSION**

To cultivate a passion for God's will, a love of learning and joy in serving, fostering creativity, knowledge and character with a global perspective, impacting the world for Christ.

"Whatever you do, do your work heartily, as for the Lord rather than for men."  
Colossians 3:23 (NASB)

### **2017-2018 School Verse:**

"Let the message about Christ, in all its richness, fill your lives. Teach and counsel each other with all the wisdom he gives. Sing psalms and hymns and spiritual songs to God with thankful hearts. And whatever you do or say, do it as a representative of the Lord Jesus, giving thanks through him to God the Father."

**LeGrande Serras:** Thank you for donating your Auctioneering services. Your time and talent is greatly appreciated!

LeGrande Serras, third-generation restaurant owner, opened Reel Seafood Co.® in 1984. His family's humble beginnings instilled in him the importance of giving back, and for four decades LeGrande has worked tirelessly to support Capital Region's thriving arts community and countless human services organizations whose work empowers the disenfranchised.

Employing his special gift for communication- and some shameless prodding-LeGrande has raised over \$22 million as an auctioneer at more than 2000 charity auctions and organizations in the Albany Area.

Since selling The Reel Seafood Co.® in 2013 LeGrande has expanded his philanthropic efforts. In additions to his many auctioneering gigs, he speaks to the community and professional groups about the critical role that independent businesses play in building a sustainable community.
