The William K. Sanford Town library Art Exhibit

Artwork created by select Loudonville Christian School students will be on display at the William K. Sanford Town Library. The exhibit will be showcased during the month of December. The library will be closed on December 24th and 25th.

Library hours:

Sunday- 1pm-5pm

Monday- 9am-8pm

Tuesday- 9am-8pm

Wednesday- 9am-8pm

Thursday- 9am-8pm

Friday- 9am-6pm

Saturday- 9am-5pm

We are so proud of our students and we are excited to celebrate their hard work and personal creativity. We hope that you will be able to visit this exhibit and enjoy the arts with your child, family, and friends.

Thank you for supporting art education at Loudonville Christian School.

Sincerely,
Corissa Nilsen & Robin Murphy

Cookie Dough Delivery!!

Thurs, 12/13/18

- Frozen container packed in dry ice and styrofoam
- Each is labelled with student's name
- Bagged for each student to take home
- Pick up ok, 2:45 - 3:30 pm, room 328
- Contact S. Johnson with questions, sjohnson@lcs.org

*Thank you for supporting
the Class of 2019!!*

Neighbors in Need is a Christmas Giving Tradition at LCS

The families we help are legal refugees from Myanmar who have been in captivity in Thailand refugee camps before arriving here. They are precious people who are in need of Christian love.

This year we have 2 ways to join in the blessing of giving to those in need!

Option one: Adopt a child. Contact [Lynne Smith](#) to receive the name of a particular child and gift request information. Gifts need to be returned to school by December 19th, wrapped and labeled with the child's name. If adopting a child, we request three to five gifts for the child with at least one of them being a toy.

Option two: Choose a gift item from the tree in the foyer and return it UNWRAPPED any time before December 14th!

Take the hassle out of enrollment!

January, 2019 LCS Introduces
Continuous Enrollment System

Keep your kids safe. Get their flu vaccine every year.

The Flu: A Guide for Parents

Is the flu more serious for kids?	Infants and young children are at greater risk for getting seriously ill from the flu. That's why the New York State Department of Health recommends that all children 6 months and older get the flu vaccine.
Flu vaccine may save your child's life.	Most people with the flu are sick for about a week, and then they feel better. But, some people, especially young children, pregnant women, older people, and people with chronic health problems can get very sick. Some can even die. An annual vaccine is the best way to protect your child from the flu. The vaccine is recommended for everyone 6 months and older every year.
What is the flu?	The flu, or influenza, is an infection of the nose, throat, and lungs. The flu can spread from person to person.
Who needs the flu vaccine?	<ul style="list-style-type: none"> • Flu vaccine can be given to children 6 months and older. • Children younger than 9 years old who get a vaccine for the first time need two doses.
How else can I protect my child?	<ul style="list-style-type: none"> • Get the flu vaccine yourself. • Encourage your child's close contacts to get the flu vaccine, too. This is very important if your child is younger than 5, or if he or she has a chronic health problem such as asthma (breathing disease) or diabetes (high blood sugar levels). Because children under 6 months can't be vaccinated, they rely on those around them to get an annual flu vaccine. • Wash your hands often and cover your coughs and sneezes. It's best to use a tissue and quickly throw it away. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands. This will prevent the spread of germs. • Tell your children to: <ul style="list-style-type: none"> • Stay away from people who are sick; • Clean their hands often; • Keep their hands away from their face; and • Cover coughs and sneezes to protect others.
What are signs of the flu?	The flu comes on suddenly. Most people with the flu feel very tired and have a high fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. The cough can last two or more weeks.

How does the flu spread?	People who have the flu usually cough, sneeze, and have a runny nose. The droplets in a cough, sneeze or runny nose contain the flu virus. Other people can get the flu by breathing in these droplets or by getting them in their nose or mouth.
How long can a sick person spread the flu to others?	Most healthy adults may be able to spread the flu from one day before getting sick to up to 5 days after getting sick. This can be longer in children and in people who don't fight disease as well (people with weaker immune systems).
What should I use to clean hands?	Wash your children's hands with soap and water. Wash them for as long as it takes to sing the "Happy Birthday" song twice. If soap and water are not handy, use a hand sanitizer. It should be rubbed into hands until the hands are dry.
What can I do if my child gets sick?	<ul style="list-style-type: none"> • Make sure your child gets plenty of rest and drinks lots of fluids. • Talk with your child's health care provider before giving your child over-the-counter medicine. • Never give your child or teen aspirin, or medicine that has aspirin in it. It can cause serious problems. • Call your child's health care provider if your child develops flu symptoms and is younger than 5 or has a chronic medical condition like asthma, diabetes, or heart or lung disease. • If you are worried about your child's illness, call your health care provider.
Can my child go to school or day care with the flu?	No. If your child has the flu, he or she should stay home to rest. This helps avoid giving the flu to other children.
When can my child go back to school or day care after having the flu?	Children with the flu should be isolated in the home, away from other people. They should also stay home until they have no fever without the use of fever-control medicines and they feel well for 24 hours. Remind your child to protect others by covering his or her mouth when coughing or sneezing. You may want to send your child to school with some tissues, and a hand sanitizer, if allowed by the school.

STUFF the CAR *with*

November 26th – December 15th
9AM-4:30PM

Lower Level-Management Office

**SCHOOL BUCKS
BONUS POINT OPPORTUNITY**

Every new (purchased within the past 12 months), unwrapped toy donated on behalf of your school will earn your school 50 bonus points!

There will be a maximum cap on the amount of bonus points you can receive, which is 25,000 points total.
So, should your school donate more than 500 toys, you will still receive 25,000 points.

COLONIECENTER

LCS is welcoming the NED Show to campus on Friday, December 14. The NED Show's Mindset Mission is a fantastic message for our lower school students "filled with humor, yo-yo and magic tricks, puppetry, and storytelling inspiring them to Never give up, Encourage others, and Do their best!" We are looking forward to this special event on Friday @ 1:30 pm-2:15 pm in the Ministry Center.

HOFFMAN Helping Hands

Looking for that perfect gift for a loved one, teacher, co-worker, or friend? A car wash is the perfect gift! Everyone needs a car wash in the winter months! Visit the Hoffman Helping Hands website and purchase your car wash tickets through the "Graduating class of 2020"

Buy your tickets on the Helping Hands [website](#)!
